Description

New Sunseeker 65 Sports Yacht available from this November.

With no introduction necessary, the all-new, multi award winning 65 Sport Yacht joins our expanding range of next-generation yachts. The SkyHelm™, complete with IPS docking joystick, can be used in an upright position for low-speed manoeuvring or lowered to fall perfectly into outstretched arms when sat low in the bespoke helm seats cossetted by carbon fibre backrests and an integrated centre console. The modular layout allows for various specifications and enhancements, with space that adapts seamlessly to all kinds of socialising and adrenaline-seeking. Three cabins, including a full-beam master stateroom, can accommodate up to six guests in luxurious comfort, with a fully appointed crew cabin located forward of the garage. Take your Sport Yacht to new heights by carrying the tender on the bathing platform and reconfiguring the vacated space as a dedicated 'Beach Club' - with direct sea access, bar, fridge, BBQ and free-standing seating. The perfect area for those happiest close to the water. With speeds of up to 35 knots, the 65 Sport Yacht cuts an equally impressive figure on the open water. Altogether, the experience is one of pure adrenaline, akin to driving a high-performance convertible supercar.

Features
